encouragehe Christian in the earlychurchto live holy lives and share Jesusiove with others. His etter begins Brothers and Sisters this isn't literally to his siblings but it is reminding the reader that we are all part of the family of God. differences in their emphasis: for example The Contemporary English works well for first two verses but not for ending bit about the grace, other versions do the grace bit well but not the start. We would encourage youto do the same and choose the version that uses the language best suited to your group.
