Have a go at learning the rhyme and actions to 'here is the Church'.

<https://www.wikihow.com/Create-a-Church-With-Your-Fingers>

Here is the Church, here is the steeple,  
Open the doors and see all the people.  
Here is a person going upstairs,  
Here they are saying their prayers.

I wonder if you could make up your own rhyme about the Church?

Thank you God for Church, let it be a happy place. Thank you God for the people.  
Amen

## Bible Reading - 3 John 1: 5 -12

My friend, you do many things to help other believers. You help them even when they are strangers to you. This shows that you are serving God well.

These men have spoken to the group of believers here about your love. Please continue to help them when they visit you. Give them the things that they need to continue on their journey. That will make God happy. They are travelling to different places to tell people about Jesus Christ. They do not accept any gifts from those people who are not Christians. Because of that, we Christians must help them with the things that they need. In this way we will be working together with them as they tell people the true message about Christ.
